SCHOLARSHIPS

Thanks to the **European Commission Marie Curie Actions Programme**, scholarships are available for the **12th Euroconference on Apoptosis** and/or the **1st Training course on concepts and methods of programmed Cell Death**.

Scholarships cover:

Registration fee and/or Accommodation (within the financial limits imposed by the European Commission regulations) and/or travel expenses (within the financial limits imposed by the European Commission regulations)

Three groups are eligible for support:

- GROUP 1: Participants attending the conference for training purposes, who are at the time of attendance in the first 4 years of their research activities and have not yet obtained a doctoral degree.
- GROUP 2: Participants attending the conference for training purposes, who have at the time of attendance between 4 and 10 years of research experience and not yet obtained a doctoral degree, or participants already having their doctoral degree, independent of the time taken to acquire it.
- GROUP 3: Participants attending the conference for contact purposes, having at the time of attendance more than 10 years of research experience. In this group, the participant must be a citizen of a European Union member or Associated state and be active in research outside the Member State and Associated States at the time of the conference.

To apply for a scholarship:

Check the 'Application for partial or full EU scholarship' box on the registration form.
